

MEMORANDUM

TO: Health Care Commission
Duane A. Goossen, Chair
Connie Hafenstine
Sandy Praeger
John Staton

FROM: Jeanne Kelly

DATE: February 28, 2009

SUBJECT: Non State Entities Report

The following report shows the current enrollment in the Non State portion of the State Employee Health Plan (SEHP). The Non State entities include educational groups, counties, cities, townships, county extension councils, rural water districts, groundwater management districts, community mental health centers, libraries and community (district) hospitals. The total contract count for Non State entities as of February 28, 2009, is 117. Within these 117 groups, there are 7,249 active employees (13,910 total lives) covered under the health plan.

EDUCATIONAL GROUPS

There are 34 educational groups enrolled as of February 28, 2009, with a total of 4,095 contracts.

LOCAL UNITS OF GOVERNMENT

As of February 28, 2009, there are 76 cities, counties, and townships and other local units of government groups enrolled, with a total of 2,249 contracts.

HOSPITAL GROUPS

There are 7 hospital groups enrolled as of February 28, 2009, with a total of 905 contracts.
